

HOW TO SELECT THE SEATS YOU WANT SUBSCRIPTION PACKAGES

When you go to buy your 8-concert, 5-concert, or 3-concert package, you will see a bright **green button** that says “**Best Available Seats for All.**” If you click on this button the ticket buying software will automatically choose your seat(s).

To the right of the photos below you will see the **Seat Selection Options** heading in grey type.

Seat selection options

- Get the best seats for all
- Choose your same seats for all
- Choose different seats for each

To select your seats yourself, click on:

■ **Choose your same seats for all** to select the same seats for all the concerts you want to attend.

or

■ **Choose different seats for each** to select different seats for each of the concerts you want to attend

Please note that it is easiest to view the seating map on a computer screen and not your cell phone or other device.
